This is the first step in order to grow on our journey of faith: listening. Before speaking, listen.

Message from Mrs Dodds

Dear Parents and Carers,

Thank you for all your support for an eventful first term. I am looking forward to a relaxing Christmas with my family and I hope you are planning the same.

We will be joined by two new members of staff in the New Year but not until February so during January in Y1 Mrs Garwood and Miss Chambers will be covering the class from Wednesday – Friday and Mrs Jaycock will be teaching Y1/2 fulltime until half term.

Just to remind you that if you are applying for a place in Reception for September 2019 the deadline for applying is 15th January 2019 - it should be done online and a receipt email should be received by return for confirmation. A school SIF must also be completed - available from school office.

Please find overleaf the most up to date list of planned events for 2019 so that you can make family arrangements as necessary.

Best wishes for a fabulous Christmas and a Joyful start to 2019,

Mrs Dodds

Wednesday 4th September

PiXL Times Tables App

Since September we have been using PiXL to support our teaching and learning in English and Maths. There is a multiplication tables app which is free to PiXL schools which can help to develop quick recall of times tables through practice and games.

You need to download the app from your usual app store on the phone or tablet – make sure

it is the yellow circle as you see here:

In their reading diaries/records you will find a sticker which gives the pupil login details which are specific to each child.

School ID: FR5911

Userid: see sticker in reading diary – 6 figure number

Password: See sticker in reading diary – Name and number

Have fun improving your multiplication skills.
