Dear Parents, Governors and Staff

Coronavirus (COVID-19)

I am writing to keep you updated about the school's response.

As per the advice from the government, the school is continuing to take the following actions for infection control:

- Putting up coronavirus infection control measures information posters around the school;
- Encouraging good hygiene by promoting the importance of regular handwashing for at least 20 seconds with warm water and soap;
- Ensuring pupils and staff understand that they must cover their cough or sneeze with a tissue, then throw the tissue away
- Ensuring frequently touched objects and surfaces are cleaned and disinfected more regularly than usual;

The current government advice is:

Stay at home if you have coronavirus symptoms

Stay at home for 7 days if you have either:

- a high temperature – you feel hot to touch on your chest or back
- a new, continuous cough – this means you've started coughing repeatedly

Do not go to a GP surgery, pharmacy or hospital.

You do not need to contact 111 to tell them you're staying at home.

Testing for coronavirus is not needed if you're staying at home.

Please inform school of any absence in the usual way but please let us know if your child is self-isolating or has symptoms.

The school would only close in response to a direct instruction from Public Health England.

If you have any education related questions you can use the Government Helpline:
0800 046 8687 open Mon-Fri 8am-6pm or DfE.coronavirushelpline@education.gov.uk

Yours sincerely,

Mrs A Dodds
Head of School
