Tuesday 17th March 2020

Dear Parents, Governors and Staff

Coronavirus (COVID-19)

As per the advice from the government, the school is continuing to take the actions required for infection control:

The current government advice is:

If you or anyone in your household has symptoms you must self-isolate for 14 days

- o a high temperature – you feel hot to touch on your chest or back*
- o a new, continuous cough – this means you've started coughing repeatedly*

Do not go to a GP surgery, pharmacy or hospital.

You do not need to contact 111 to tell them you're staying at home.

Please inform school of any absence in the usual way but please let us know if your child is self-isolating or has symptoms.

The school will combine classes and redeploy staff to manage staff absence where necessary.

The school will endeavour to remain open as the provision of child care enables those in front line roles to maintain their service.

We are currently working on self-isolation activity packs. These are for home learning only and will not be marked. These will be sent to those families who have recorded their absence as self-isolation.

We will be cancelling the parent performance of the LKS2 production but will hold a pupil performance this Friday to recognise the hard work they have put in so far.

We have cancelled peripatetic music teachers and any external events following advice from the Trust.

If you have any education related questions you can use the Government Helpline: 0800 046 8687 open Mon-Fri 8am-6pm or DfE.coronavirushelpline@education.gov.uk

Yours sincerely,

Mrs A Dodds
Head of School
