Friday 20th March

Dear Parents and Carers,

It is a very strange day for us today as I am sure it is for many of you. Thank you for your patience.

The pace of change in recent days has made it very difficult to predict how our lives look next week, never mind in months to come. We hope that we will be back to together as a school at some point this academic year but at this stage we can be certain of nothing.

We will be trying to provide learning suggestions via parentmail or on our website and I know many national providers are making their resources available to all. I realise for some of you the idea of having to educate your children at home is daunting but it is also a great opportunity to do some fun family learning in a way that is impossible for us in school. This period may lead to the development of some new skills and hopefully our learning suggestions will give you some clues.

We will still be here as a point of reference for safeguarding so do get in touch via email or phone if you have a concern and we will try to get back to you as soon as possible.

The governors extend their best wishes to you all going forward.

I hope you stay well and safe and that we can all be back together soon.

Many thanks,

Andi Dodds
Head of School
