

TIK TOK

By Stanley M ,Callum Yasmine Amelia,Daria

TIK TOK

- **Tik tok is safe IF you use it properly**
- **The bad thing with Tik tok is that not everyone logging in has the same aims as you.**
- **They are looking for people in difficulty, young girls and boys, people who think like them.**

Lots of people are always online, they are addicts

. 8million people use Tik tok

GROOMING

- Grooming – can start off as gentle friendship but this can change over time.- they may ask you to post videos that are inappropriate, show your home, show your uniform, show you body – stop think – how much information have you shared.

CHILDREN ON **TIK TOK**

- Lots of children can be on tik tok .4 and 5 year olds when it is actually a pegi_12
- There is a high risk of drink ,drugs and crime from being groomed
- There is a risk of bullying, at school , friends and people who are viewing and messaging.
- How would you respond ?

CYBER~ BULLYING

- Cyber bullying is where mean people exclude you from a group or they are in.
- Cyberbullying is hidden but like all bullying its is targeted and is repeated.
- Cyberbullying can be prosecuted by the police.
- Cyberbullying can cause long term problems for the victim.
- They will lose trust, confidence and feel that they cannot be friends with others.- Look around you – think about that person on the phone standing right next to you ... What would you do?

THANKS FOR WATCHING!!!!!!!!!!!!!!
