

## St Felix RC Primary School Sport Premium Strategy 2021-22

Our strategy for Sports Premium assumes that 2021-22 will see a return to sporting opportunities in our local community. Our pupils enjoy competing against other schools and it has a positive benefit to self-esteem. Should these opportunities remain limited, spending will be redirected into school based resources and activities.

Use of Funding	Planned	Objective
Lunchtime support	£3800	To provide a sport guidance at lunchtime to improve skills and improve behaviour.  To promote active games to reduce obesity and improve mental health
PE Teacher from High School 1 day a week to upskill staff	£9500	To improve staff subject knowledge  To raise standard of PE teaching  To strengthen links ahead of high school transition  To reduce obesity
Travel and staff cover to sporting events	£1000	To ensure a full range of sports events for both genders can be accessed.
Resources –Sports Equipment	£2215	To ensure all children can take part fully in PE lessons and sports activities.  To improve gross motor skills across EYFS
Provision of Football Club for 2 terms	£1675	To facilitate the training of a team to participate in inter school competitions, giving participants a sense of competing in a community beyond that of the school.
Total Spend (£16,000 per school plus £10 per pupil yrs 1-6 Sept 20 -219)	£18190
