- Y5/6 football club full all year and currently 3rd in the school's league
- All extra-curricular sport contributing to desired '60 active minutes' (chang4life)

Resources

- Quality of P.E lessons increased due to resources purchased
- Improved physical activities for outdoor area (EYFS)

This year the profile of P.E across the school has been raised and we are working towards achieving the school games mark. The School Games Mark is a government led awards scheme launched to reward schools for their commitment to the development of competition across their school and into the community. The following areas will be monitored:

- **Participation – how many young people are being engaged in sporting activity?**
- **Competition – how many different sports are being played and how many competitions are being entered?**
- **Workforce – how many pupils are involved in leadership activities alongside taking part in competitions?**
- **Clubs – how many local links does your school have with clubs or establishments from the area?**

Achieving and maintaining this award will keep P.E a priority at St Felix School.
