

St Felix RC Primary School Sport Premium Strategy 2020-21

Our strategy for Sports Premium assumes that 2021 will see a return to sporting opportunities in our local community. Our pupils enjoy competing against other schools and it has a positive benefit to self-esteem. Should these opportunities remain limited, spending will be redirected into school based resources and activities.

Use of Funding	Planned	Objective
Enrolment in Sport Opportunity	£1000	To increase opportunities to take part in local sporting events.
Lunchtime support	£3800	To provide a sport guidance at lunchtime to improve skills and improve behaviour.
