

St Felix RC Primary School Sport Premium Strategy 2020-21

Our strategy for Sports Premium assumed that 2021 would see a return to sporting opportunities in our local community. Our pupils enjoy competing against other schools and it has a positive benefit to self-esteem. As these opportunities remained limited, spending was redirected into school based resources and activities.

Use of Funding	Planned	Objective	Actual and Impact
Enrolment in Sport Opportunity	£1000	To increase opportunities to take part in local sporting events.	£0 These were cancelled again due to Covid
Lunchtime support	£3800	To provide a sport guidance at lunchtime to improve skills and improve behaviour.	£3800 This was focused on the Y6 bubble to ensure staff were consistent and helped to promote positive activities in a year group
PE Teacher from High School 1 day a week to upskill staff	£9500	To improve staff subject knowledge To raise standard of PE teaching To strengthen links ahead of high school transition To reduce obesity	£9500 This ensured high quality PE all year even during lock down (for the greater number of pupils in school than the previous lockdown) and helped us to manage the challenge of splitting the staff across on-site and remote learning
Travel	£1000	To ensure a full range of sports events for both genders can be accessed.	£0 Events were cancelled
	£815	Resources EYFS equipment: Balls Beanbags Dance ribbons Frisbees Space hoppers	£750 Improved gross motor skills Increased participation in physical activities Increased confidence and risk taking

		Rainbow wands Quoits Large parts obstacle course Large sandpit Soft play gym equipment: Banana rocker Cuboid Large wedge Move and play wheel Rod Replacement of general resources Footballs Netballs Basketballs Basketball tripod goal Netball bibs Rugby balls Tennis balls Daily mile track Agility track	Aided communication, teamwork, coordination and balance GLD did not suffer as a result of lockdown £1115 Aided physical, sensory and emotional needs of SEND child to be met £898 Enabled full participation in P.E lessons by all age groups particularly when not sharing equipment was recommended £1300 Increased participation in physical activity of all children outside of PE lessons - impact greater in KS2
Additional Staff Cost to cover Attendance at Sporting Events	£1500	To increase opportunities to take part in local sporting events	£0 Not required due to cancellation of events
Provision of Football Club for 2 terms	£675	To facilitate the training of a team to participate in inter school competitions, giving participants a sense of competing in a community beyond that of the school.	£625 Sessions were cancelled due to Covid but contract was honoured
Total Spend (£16,000 per	£18,290		£17,961

school plus £10 per pupil yrs 1-6 Jan 20 -229)
