June 2025 Newsletter

In this Jubilee of Hope, let us remember to pray for those who suffer and feel tempted by discouragement. In all of life's problems and difficulties, let us turn to Jesus, acknowledging our desire for healing and embracing His promise of freedom and new life.

June 18 Pope Leo XIV

Dear Parents and Carers,

We have just four and a half weeks to go to the end of term and this beautiful sunshine makes us all long for the summer holidays.

We are delighted to be able to confirm that the new Headteacher of St Felix will be Mrs Anne-Marie Price. She has worked in leadership roles in other Catholic schools in the Diocese and is looking forward to joining our school in September.

The Jubilee Pledge was created by the pupils and incorporated into our Pentecost celebrations:

- Listening and tracking people who talk to us, particularly when they ask for our help
- Reducing our carbon footprint and the amount of waste we produce
- Supporting Cafod fundraising and increasing our donations
- Creating new school traditions which protect our school environment for future pupils

When I was talking to pupils, I was struck by how many are worried about current conflicts. When asked their hopes for the World, more children than ever before said peace and the stopping of war. We will keep praying for calm and de-escalation in an increasingly difficult geo-political situation.

Best Wishes,

Mrs A Dodds

Shepreth Wildlife Park KS1 Trip 16th June

KS1 had a fabulous time at Shepreth on Monday. "It was fun because of the animals. The meerkats were so cute and they were fighting!" said Natty.

Rosie loved it all but one animal in particular.

"I loved the bats. They would pause and then fly around. The red window was like a spotlight."

Spider, tigers and parrots were seen and even a 'fake' crocodile, but did someone see him wink?

Portals of the Past

The Hall was alive with Ancient Greeks as Y3 and Y4 donned their togas and chitons for their special history day.

In the morning children learnt about training for the Spartan army and discovered that it was a dangerous endeavour. They found out they should be eating a porridge enriched with pig's blood!

The afternoon was a chance to find out about the success of Alexander the Great as a result of his military tactics.

Finally, the Athenians took on the Spartans for a brief Olympic Games. The children had a fantastic day. Kacper loved the quizzes because although they were hard, they worked out all the answers. Imogen was delighted to find out the proper names for the parts of the Greek Armour from Mr Weston. The Olympic Games were also a high spot for many children.
